Also, 6-U swimmer Jay Baker broke the 25 Butterfly DSSL record this July. Congratulations Jay! Interested in next year's swim team information? Stay tuned to www.woodcroftwhirlwinds.com!

Reminders from Woodcroft Club

Managers' Notes

The summer has flown by and we hope the school year has gotten off to a good start. I can't believe it! I hope that you've enjoyed your summer as much as Betsy and I have, whether it was your 24th or you're first!

Keep your eyes peeled for this newsletter in the off season. There will still be activities and events for all ages. There will also be a weekly email every Monday. The weekly email is to remind you of the upcoming Club happenings. It is also used if there is a matter that needs immediate attention or notification. If you're interested in being on that mailing list or haven't been receiving weekly emails from the Club, please email the office at woodcroftclub@nc.rr.com.

At the end of every summer, I look to you, our members, for valuable feedback and constructive criticism. After all, like you, I want the Club to be the best it can be! You will be receiving a link to our Club survey via email. It will also be posted on our website in the near future. Please note that all evaluations are kept confidential and are a vital part of the Club's growth and development.

Also, coming up in November, I'll be sending out update letters and a notice of renewal. All memberships are year-round memberships that are kept on the calendar year. Thus, unless I receive a cancellation letter from you, your membership will be renewed for the 2010 year!

You may notice that I will be here on my own until the pool season ends. Betsy had a wonderful opportunity arise that was more focused on her long term goal of becoming a school counselor that she couldn't pass up. Thus, she is no longer with the Club. She wanted to express to you all that she would greatly miss the members & staff and hopes to return to visit from time to time.

Thanks so much for a great summer,

Priscilla
