- Members may attend one group session a day to start without a sign up. We hope to either expand swim blocks or allow for members to stay for more than one block once we have a better understanding of what pool usage will look like this summer.
- Holidays will have a different procedure and we will be sending that out separately.
- Group slots will be closed once capacity is reached; Facebook, Email, and Text alerts will go out when we are nearing capacity and at capacity. Capacity has increased from last summer, so there will be more availability for each swim block.
- Guests and out of town family must be RSVPed ahead of time, and there are limited spots for each per swim group. Contact the office for more information regarding these procedures.
- Limited gazebo rentals will be available. Contact the office if you are interested.
